

## Privacy Policy (as amended 22nd September 2006)

webZplus agrees to provide, and the Client agrees to receive, access to services according to the following Privacy Policy:

Our Privacy Policy is to be read and accepted in conjunction with our 'Terms and Conditions'

### 1.0 - General

Personal information collected by webZplus via any media, including but not limited to electronic, paper forms, documents, or search engines will only be used for the purposes of providing services by webZplus & its associated Companies, Agents or Contractors.

The information you submit to us may be disclosed to those of our staff, who are involved in specific aspects of our business and other third parties who assist us in the administration and marketing processes associated with the conduct of our business.

You are able to choose not to provide information requested, however we may be unable to process your applications, memberships, entries or provide services or information as requested by you from time to time.

### 2.0 - Collection of Personal Information

When you engage in certain activities such as for ordering domain names, hosting plans or filling out an enquiry form, you may be required to provide some personal information like your name, mailing address and email address. You may also be required to provide a credit card number.

Any information that we receive in this way will only be used by webZplus in order to provide you with the service, product or information that you have requested.

None of the details collected shall be passed on to any third parties unless it is essential to provide such a service of product. For example, if you have requested a domain name, the registrar will require some contact details in order to process the application.

### 3.0 - Mailing Lists

webZplus uses sophisticated mailing list software to send email messages on behalf of our clients. The databases are password-protected on two levels to prevent them being accessed by third parties.

webZplus will not use any of the details of any of these contact records for any purpose other than to fulfill its duties in processing email messages.

Contact record details will not be divulged to any other Client under any circumstances and will only be used as directed by our Clients in a legally responsible manner.

webZplus recognises and appreciates the responsible use of information relating to Clients and their businesses. It will be treated with respect, and at all times kept and held confidentially.

Every effort has been taken to ensure security and privacy of the information held from intrusive third parties, both physically and electronically.

#### **4.0 - What personal information about you does webZplus hold**

webZplus may hold the following information about you:

Name(s), Address(s), Telephone Number(s), Email Address(s), Credit Card Details, Business details including, A.B.N., A.C.N. or Business Registration Numbers, any additional information you provide, when you apply or register on our website(s), complete forms (both electronic or paper), use our forum(s), chat room(s), view our webcam(s), purchase items from our Online Shop(s) or any other information you may provide to us through entry forms, questionnaires or surveys.

#### **5.0 - Links**

Various links throughout this website may take the user outside the webZplus website.

webZplus & its associated Companies, Agents or Contractors does not control, nor is responsible for information outside of the webZplus website.

#### **6.0 - Cookies**

Cookies are data that a Web site transfers to an individual's hard drive for record-keeping purposes.

Cookies can facilitate a user's ongoing access to and use of a site. They allow us to track usage patterns and to compile data that can help us improve our content. If you do not want information collected through the use of Cookies, there is a simple procedure in most browsers that allows you to deny or accept the Cookie feature. But you should note that Cookies may be necessary to provide you with features such as registered services or memberships.

#### **7.0 - Consent & Warranty**

I consent to webZplus and its associated Companies using and disclosing my personal information in the manner described above.

#### **I warrant that:**

Any and all of the information I provide is provided under the above Privacy Policy.

By using the webZplus website you are aware and agree that the internet is inherently insecure and that accordingly we can only use our best endeavours to secure your personal information and cannot provide any definitive assurance regarding security of personal information. Other than liability that cannot lawfully be excluded, webZplus will not be liable in any way in relation to any breach of security or any unintended loss or disclosure of that information.

All the information I submit via this site is true and complete. I understand that any false or misleading information I provide may lead to inaccurate information being provided by webZplus & its associated companies and my ineligibility to access services, enter promotions or competitions.

Any questions about this policy, or any complaint regarding treatment of your privacy by webZplus, should be made in writing to the address below.
